

**IN THE UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF OREGON**

TYSON HARSHMAN,

Plaintiff,

v.

**J-M PIPE COMPANY, INC., and PW
EAGLE, INC. dba JM EAGLE,**

Defendants.

Case No. 2:23-cv-1600-HL

ORDER

Michael H. Simon, District Judge.

United States Magistrate Judge Andrew Hallman issued Findings and Recommendation in this case on January 26, 2024. Judge Hallman recommended that this Court grant Defendant's Motion to Compel Arbitration and Stay or Dismiss Claims. Judge Hallman also recommended that this Court dismiss this case without prejudice. No party has filed objections.

Under the Federal Magistrates Act (Act), a court may "accept, reject, or modify, in whole or in part, the findings or recommendations made by the magistrate." 28 U.S.C. § 636(b)(1). If a party objects to a magistrate judge's findings and recommendations, "the court shall make a de novo determination of those portions of the report or specified proposed findings or recommendations to which objection is made." *Id.*; Fed. R. Civ. P. 72(b)(3).

If no party objects, the Act does not prescribe any standard of review. *See Thomas v. Arn*, 474 U.S. 140, 152 (1985) (“There is no indication that Congress, in enacting [the Act], intended to require a district judge to review a magistrate’s report to which no objections are filed.”); *United States. v. Reyna-Tapia*, 328 F.3d 1114, 1121 (9th Cir. 2003) (en banc) (holding that the court must review *de novo* magistrate judge’s findings and recommendations if objection is made, “but not otherwise”).

Although review is not required in the absence of objections, the Act “does not preclude further review by the district judge[] *sua sponte* . . . under a *de novo* or any other standard.” *Thomas*, 474 U.S. at 154. Indeed, the Advisory Committee Notes to Rule 72(b) of the Federal Rules of Civil Procedure recommend that “[w]hen no timely objection is filed,” the court review the magistrate judge’s findings and recommendations for “clear error on the face of the record.”

No party having made objections, this Court follows the recommendation of the Advisory Committee and reviews Judge Hallman’s Findings and Recommendation for clear error on the face of the record. No such error is apparent. Accordingly, the Court ADOPTS Judge Hallman’s Findings and Recommendation, ECF 16. The Court GRANTS Defendant’s Motion to Compel Arbitration and to Dismiss or Stay Claims Pending Arbitration, ECF 5, and DISMISSES this case without prejudice.

IT IS SO ORDERED.

DATED this 16th day of April, 2024.

/s/ Michael H. Simon
